Corrigendum to "Lower than expected but still willing to use: User acceptance toward current intelligent conversational agents" [Information & Management Volume 61 issue 8(2024) 104033]

Maarif Sohail [a], Fang Wang [b,*], Norm Archer [a], Wenting Wang [a], Yufei Yuan [a]

[a] DeGroote School of Business, McMaster University, Canada
[b] Lazaridis School of Business & Economics, Wilfrid Laurier University, Canada

The authors regret the incomplete construct names in Fig. 1. The two constructs currently labeled as "ICA fit for service" should correctly read as "ICA fit for service complexity" and "ICA fit for service availability," respectively. The updated and accurate Fig. 1 is presented below:
